

GLOBAL REWINDS

A.C.N. 079 372 017
ECL No. EC003345

ABN. 77 079 372017

QUALITY POLICY

It is the Quality Policy of Global Rewinds, to provide services at a level of Quality and Reliability commensurate with initial and continuing needs and expectations of our valued clientele.

This Policy commits Global Rewinds, to supply to our clients, only products and services which meet their needs, whilst ensuring adherence to our integrated management system, based upon Australian Standard AS/NZS ISO 9001 and in accordance with all pertinent statutory and regulatory requirements.

Our integrated management system is an integral part of all aspects of our business and is highly recognised that Quality shall be incorporated into every Product and Service at all phases of our operations.

Senior Management is fully committed to the successful implementation and Continual Improvement of the Company integrated management system.

It is a requirement of Global Rewinds Policy, that Sub-Contractors and Suppliers duly engaged or utilised by our company, shall comply with our Quality System.

This integrated management system is developed by the IMS Manager, who is responsible for verifying the systems implementation and maintenance, but Quality shall be the responsibility of all employees and Sub-Contractors alike, engaged by the company.

The continuing success of our business depends totally on providing Products and Services on time, within budget, conformance with all technical requirements and compliance to AS/NZS ISO 9001.

All documentation generated by this integrated management system is considered confidential and available only to personnel engaged by Global Rewinds, with the exception of specific contractual requirements, where the prior approval of the IMS Manager is required.

Responsibility & Authority

The Managing Director is responsible for the implementation and monitoring of this policy. In fulfilling the objectives of this policy, management is committed to regular consultation with employees and subcontractors to ensure the policy operates effectively, and that health and safety issues are regularly reviewed.
